

## CYLINDER / pouf

### CYLINDER POUF

A Cylinder pouf with a leather handle brings both style and function to your decor. A small-space essential, a pouf serves as seating, footrest, and decorative object in one, tucking neatly away under a table when not in use. It is a versatile addition to any room, providing plenty of space to do what you like.

**It can be ordered in any color/texture of upholstery fabric or leather.**
